CHINO HILLS' NATIONAL NIGHT OUT EVENTS RANK #19 IN NATION

Chino Hills, CA – The City of Chino Hills' 2018 National Night Out was ranked #19 in the nation for cities with a population between 50,000 and 100,000, moving up from #22 in 2017. Since 2005, the City has helped organize neighborhoods to host National Night Out events to get to know their neighbors and build partnerships with the police to help combat crime. On the first Tuesday in August 2018, 21 neighborhood events hosted 1,135 residents. City Council Members, Chino Hills Police Department personnel, Chino Valley Fire District fire fighters, and Citizens on Patrol stopped by the various events.

"Getting acquainted and keeping in touch with neighbors is one of the best ways to help keep Chino Hills one of the safest cities in the nation," said Richard Boltinghouse, Emergency Services Coordinator. "Start talking with neighbors about planning an event this year for August 6."
