MEET WITH 2020 CENSUS REPRESENTATIVE DURING FIELD OFFICE HOURS AT CHINO HILLS CITY HALL

Chino Hills, CA – The City of Chino Hills invites local residents to learn more about the importance of the 2020 Census. U.S. Census Bureau Partnership Specialist Renay Mehta from the Los Angeles Regional Census Center will hold office hours at Chino Hills City Hall, 14000 City Center Drive. She will be available to the public on March 5, 12, 19, and 26, and April 2, 2020 from 1:00 pm to 3:00 pm in the Community Room, near the main lobby.

Residents can stop by City Hall during the 2020 Census City Hall Office Hours for a one-on-one or small group Census 101 presentation. They can learn more about the importance of the 2020 Census, how it works, the timeline for the project, the confidentiality of your answers and input, and what the Census does with the information they collect. Starting March 12-20, all households will be sent an invitation in the mail to respond to the 2020 Census. Every household will have the option of responding online, by phone, or by mail.

A 2020 Census representative will also be on hand to answer questions and will have a table of informational flyers in various languages that residents can take and share with family, friends, and community organizations.

For more information, contact Renay Mehta, Census Partnership Specialist, at (909) 908-7954. For more information on the 2020 Census, visit www.2020Census.gov.
