**COVID-19 UPDATE:
CITY OF CHINO HILLS EXTENDS CLOSURE PERIOD THROUGH MAY 17**

Chino Hills, CA – The City of Chino Hills has extended City facility closures and the cancellation of classes, events, programs, building reservations, and gatherings through May 17 due to the Governor’s continuing Stay-At Home Order and San Bernardino County health directives. All City facilities will remain closed through May 17, although City officials are prepared to modify the closures as soon as the State and County modify closure requirements. City employees, considered essential workers, continue to work to provide City services. In very limited circumstances, staff may recommend an appointment. “We continue to monitor developments at all levels of government as efforts to control the spread of COVID-19 evolve,” said City Manager Benjamin Montgomery. “Our facility closures and program cancellations are based on the current State and County orders. The City is prepared to modify our operations as these orders change.”
