COVID-19 TESTING AND FLU SHOTS OFFERED IN CHINO HILLS WEDNESDAY, NOVEMBER 18

Chino Hills, CA – The City of Chino Hills is partnering with San Bernardino County Public Health and Fourth District County Supervisor Curt Hagman to offer free COVID-19 tests and flu shots in Chino Hills on Wednesday, November 18 from 2:00 – 6:00 pm, inside the barn at the McCoy Equestrian & Recreation Center, 14280 Peyton Drive. Face coverings are required. Flu shots are available without an appointment. Flu shots are recommended for pregnant women and individuals with chronic health conditions. Children ages three and older are eligible. A parent or guardian must accompany children under 18 years old.

COVID-19 testing is encouraged for everyone. No symptoms are required to get a COVID-19 test. Walk-ins will be accepted while supplies last. Appointment registration for single-day testing events will open about five to seven days before the testing event date. Visit www.sbcovid19.com and select "County Testing Sites" to make an appointment or call (909) 387-3911. Participants will be asked for health insurance information when registering so that insurance is billed directly. Participants will not be charged a co-pay nor share the cost for the test. Persons who do not have insurance or do not want to provide it will still get tested.

Future COVID-19 indoor testing dates (no flu shots) at the McCoy Equestrian & Recreation Center on Wednesdays are December 2 and 16, and January 6 and 20. For more site locations and additional flu information, please visit <https://wp.sbcounty.gov/dph/fly> or call (909) 252-4406.
