## HOLIDAY TREE RECYCLING

Chino Hills, CA – Chino Hills residents can recycle their holiday tree by placing the bare tree at the curb for collection on regular scheduled trash pick-up days starting Monday, December 28, 2020 through Friday, January 8, 2021. All decorations including ornaments, lights, tinsels, garlands, and tree stands must be removed prior to collection. Holiday trees larger than six feet tall must be cut in half to be eligible for pickup.

If you take your holiday tree down for collection after January 8, 2021, please chop it up and place it inside the “yard waste” container. Flocked trees cannot be recycled and must be chopped up and placed inside the trash container; or contact Republic Services at (800) 700-8610 for a bulky item pickup.
