STREET SWEEPING PARKING ENFORCEMENT UPDATE

Chino Hills, CA – The City of Chino Hills reminds residents that extra visitors may park in Chino Hills' neighborhoods during the holiday season without concern of being cited for parking on street sweeping day.

The City has not issued street sweeping parking citations since March due to COVID-19 but began an effort in September to encourage residents to try to stay off the street on street sweeping day so the sweeper can do a more effective job. Street sweeping helps the City comply with federal water pollution regulations to keep debris from entering the storm drains and polluting water ways and the ocean. If there are any questions or concerns, residents can call the Public Works Department at (909) 364-2800.
