20th ANNUAL WATER CONSERVATION DESIGN-A-SIGN CONTEST ENTRIES DUE MARCH 19

Chino Hills, CA – The 20th Annual City of Chino Hills Water Conservation Design-a-Sign Contest is just around the corner. Participants will use their art skills to create a sign which depicts this year's water conservation theme, "Every Drop Counts!" Winning posters from each grade level will be made into signs and displayed at City Hall before being installed at schools and parks throughout the City. The contest is open to students in kindergarten through 12th grade, who live in Chino Hills or attend school in Chino Hills. Due to COVID-19, participants must upload a photo of their entry through an online application at www.chinohills.org/DesignASign. The deadline is Friday, March 19 at 4:00 p.m. Late entries will not be accepted. Winners will be notified and must submit their original artwork.

The contest includes prizes for students in each category. In addition, teachers with 100% participation from the students in their classrooms will be entered into a raffle to win a \$100 gift card to Hobby Lobby.

The contest rules and application are available on the City website at www.chinohills.org/DesignASign. Information was also distributed to local schools. For additional information, please call (909) 364-2700.
