WATER CONSERVATION POSTER CONTEST WINNERS HONORED

Chino Hills, CA – The Chino Hills City Council honored the winners of the City’s 20th Annual Water Conservation Design-a-Sign Contest virtually during its May 11, 2021 Council Meeting. Twelve winners were recognized from over 130 entries submitted online for their exceptional artwork. This year’s theme was “Every Drop Counts!” and students from kindergarten to 12th grade designed posters promoting water conservation awareness. The winning posters will be converted into street signs and installed on streetlight poles along City Center Drive at the Chino Hills Government Center. Eventually, the street signs will be located in different parks throughout the City.

The judges awarded four grand prizes. Kindergartener Lucas Chen from Eagle Canyon Elementary School won a Kids-edition Fire Tablet. Second-grader Angela Gu from Litel Elementary School and fifth-grader Selina Gu from Litel Elementary School both won a Kindle Fire tablet. Eleventh-grader Priyasha Panigrahi from Ruben S. Ayala High School won a laptop. All second and third place winners from each age category received a \$20 gift card to the Shoppes and a \$10 Chick-fil-A gift card. The full gallery of winning entries can be viewed online at www.chinohills.org/DesignASign.

Classrooms with the highest participation were entered in a raffle for a chance to win a \$100 Hobby Lobby gift card. Mrs. Farmakis, a sixth-grade teacher from Rolling Ridge Elementary School, won the raffle.

The contest judges included Council Members Cynthia Moran and Peter Rogers, Parks and Recreation Commissioners Jennifer Holtkamp and Samantha James-Perez, and representatives from area water agencies.
