HOLIDAY TREE RECYCLING

Chino Hills, CA – Chino Hills residents can recycle their real holiday trees by placing the bare tree at the curb or next to the dumpsters in residential complexes on regularly scheduled trash pick-up days from Monday, December 27, 2021, through Friday, January 14, 2022. All decorations including ornaments, lights, tinsel, garlands, and tree stands must be removed prior to collection. Holiday trees larger than six feet tall must be cut in half to be eligible for collection.

Trees taken down after Friday, January 14, 2022, can be recycled by chopping them into pieces that will fit inside the yard waste container or dumpster with the lid closed. Holiday wreaths and greenery can also be recycled if they fit in the yard waste container or dumpster. Wreaths and greenery must also be bare, so please remove all wire, hooks, bows, and other decorations. Collected trees and greenery are turned into mulch, compost, and ground cover.

Flocked trees cannot be recycled and must be chopped up and placed inside the trash container or residents may request to schedule a bulky item pick-up by contacting Republic Services at (866) 238-2444.
