## **FREE COVID-19 ANTIGEN (RAPID) TEST KITS AVAILABLE TO CHINO HILLS RESIDENTS FOR PICK-UP AT DRIVE-THRU EVENTS ON JANUARY 6 AND 11**

Chino Hills, CA – The City of Chino Hills has partnered with San Bernardino County to provide free COVID-19 Antigen (rapid) test kits to Chino Hills residents available for pick-up at drive-thru events. The drive-thru events will be on Thursday, January 6, and Tuesday, January 11 from 3:00 pm to 6:00 pm, or while supplies last whichever comes first, at the Shoppes overflow parking lot located on Shoppes Drive near Boys Republic Drive.

All cars must enter from the intersection of City Center Drive and Boys Republic Drive. No left turn will be allowed into the parking lot from City Center Drive when entering from Shoppes Drive. There is a limit of two kits per car. Each kit comes with two tests. Please be prepared to present a driver's license or utility bill with a Chino Hills address.

Rapid testing is an easy and convenient way to test for COVID-19 compared to the more popular polymerase chain reaction (PCR) testing method. Rapid test results are usually returned in approximately 10-30 minutes. To find additional testing locations and resources in San Bernardino County, please visit [sbccovid19.com/Testing](https://sbccovid19.com/Testing). For additional information related to the ongoing COVID-19 pandemic, please visit [www.chinohills.org/Coronavirus](https://www.chinohills.org/Coronavirus).
