## **RESIDENTS ARE INVITED TO JOIN THE CITY OF CHINO HILLS FOR A GUIDED HIKE TO CELEBRATE NATIONAL TRAILS DAY ON SATURDAY, JUNE 4**

Chino Hills, CA – The City of Chino Hills invites the community to celebrate National Trails Day and take a City-guided hike on Saturday, June 4 at the Grand Avenue Park trailhead located at 1301 Grand Avenue. There will be two different levels of free guided hikes so everyone may enjoy learning about the City’s 48 miles of trails and over 3,000 acres of open space. The intermediate level hike will begin at 9:00 am and the beginner level hike will begin at 9:30 am. Door prizes and educational booths will also be available for participants to enjoy.

Residents can discover the City’s 48 miles of trails during Great Outdoors Month and take the month-long Chino Hills Trail Challenge. During the month of June, residents can walk, hike, or run the City’s trails and record their mileage using any smart device or mobile tracking app and submit their mileage online at [www.chinohills.org/Events](http://www.chinohills.org/Events) for a chance to win prizes. There are three age categories available to compete in: 17 and under, 18-49, and 50 and older. Top scoring individuals in each category will be awarded prizes.

The City of Chino Hills has 16 trailheads that lead to 28 different trails throughout the community. Residents can utilize the City’s enhanced online trails map available at [www.chinohills.org/Trails](http://www.chinohills.org/Trails) to view all trailheads, connections, and quarter-mile markers. Interactive capabilities allow users to pin-point exact locations of each trail and what City parks and facilities are nearby. The map also shows distance, difficulty, estimated time, elevation gain, and trail photos. Residents may also download the [free City App](#) from the [Apple App Store](#) or the [Google Play Store](#) to easily access trail information from their smartphone. With GPS enabled on the smartphone, users can track their progress on the trail.

For questions or more information, please visit [www.chinohills.org/Events](http://www.chinohills.org/Events) or contact the Recreation Office at (909) 364-2700.
