During this period, parking lots may be closed for up to three days at a time while contractors perform pavement rehabilitation work and repairs. City staff will place signage at each park in advance of the work to inform residents of upcoming parking lot closures. All work will be performed during weekdays to minimize the impacts to residents who enjoy the parks on weekends.

City parks that will undergo parking lot pavement rehabilitation in order of project schedule are as follows:

- English Springs Park
- Mystic Canyon Park
- Hope for the Hills Park
- Veterans Park
- Hidden Hills Park
- Oak Ridge Park
- Rincon Park

The City has allocated up to \$200,000 in funding received from the American Rescue Plan Act (ARPA) to complete the parking lot pavement rehabilitation projects and has contracted with Arrow Parking Lot Service to perform the work.
