Community Park is temporarily closed as part of the ongoing rehabilitation project. Access to the Eucalyptus and McCoy Loop located adjacent to Community Park will remain open and parking is available at the overflow parking lot located on the corner of Eucalyptus Avenue and Peyton Drive.

To accommodate extra visitors in neighborhoods throughout Chino Hills during the holiday season, the City has declared a citation-free period for street sweeping parking violations. The City will not issue street sweeping parking citations during the holiday period from Friday, December 23 through Monday, January 2. Street sweeping enforcement will resume on Tuesday, January 3. Other types of parking citations may be issued during this time, as the citation-free period only applies to street sweeping.

Trash and recycling collection will not be delayed by Christmas Day and New Year's Day since the holidays fall on a Sunday, which is a non-collection day. Live holiday trees may be put out for recycling at the curb or next to a residential dumpster on regularly scheduled trash pick-up days from Monday, December 26 through Friday, January 13. All decorations, tinsel, and the tree stand must be removed. Trees over six feet tall must be cut in half. Flocked trees cannot be recycled and must be chopped up and placed in the trash cart (black lid).

City staff is available "on-call" to respond to emergencies, such as water leaks or downed trees, after hours, and on holidays and weekends by calling (909) 364-2860.
