CITY OF CHINO HILLS ENHANCES VELLANO PARK PICKLEBALL COURTS WITH NEW LIGHTING SYSTEM TO EXTEND PLAYING HOURS

Chino Hills, CA – The City of Chino Hills has completed the installation of new court lighting at the Vellano Park pickleball courts, located at 16321 Aviano Lane, encouraging extended play hours until 10:00 p.m. daily. The new lighting provides an enhanced experience for pickleball enthusiasts to play longer into the evening hours.

Pickleball has rapidly gained popularity in Chino Hills, attracting players of all ages and skill levels. With the growing demand for more playing opportunities, the City heard the desire from residents and recognized the need for lighting to extend the available hours of play. The project, which was completed on May 30, 2023, involved the installation of state-of-the-art LED lighting fixtures designed to minimize light pollution while maximizing visibility on the courts. These energy-efficient lights ensure optimal illumination, allowing players to fully enjoy their games and maintain the highest level of performance.

The total project cost for the new lighting fixtures was approximately \$158,000 funded by the City's General Fund. For more information on the available amenities at Vellano Park, please visit www.chinohills.org/VellanoPark. For questions on the project or usage of the pickleball courts, please contact the City's Recreation Office at (909) 364-2700.
