SMALL DOGS TO BE REDIRECTED AT VILA BORBA DOG PARK DURING TURF RENOVATION THROUGH FRIDAY, JULY 14

Chino Hills, CA – The small dog side of Vila Borba Dog Park, located at 17001 Amadora Drive, will be closed for renovation of the existing turf from Friday, June 16 through Friday, July 14. The large dog side of the park will remain open and be separated into two sides with portable fencing during the renovation, so both small and large dogs may still enjoy visiting the dog park. There are two access gates for entering the large dog area and temporary signage will direct dogs to the proper side during the renovation. The schedule anticipates a full reopening of the small dog side of the park on Friday, July 14, unless the weather causes delays.
