## **GRAND AVENUE PARK SOCCER FIELD TURF REPLACEMENT WILL NOW HAPPEN IN THE SUMMER OF 2024**

Chino Hills, CA – The soccer fields at Grand Avenue Park will no longer be temporarily closed for replacement of the existing turf from January 3, 2024 through February 23, 2024, instead the turf replacement work will occur in the summer of 2024. The planned turf replacement is being performed under the City’s 10-year warranty with FieldTurf USA, Inc. from its original installation in 2018 to enhance soccer enthusiast’s experience at the park and ensure the continued quality and safety of this recreational space. Due to the rain we’ve already received and the expected wet weather during the coming winter months, the contractor and the City has agreed to delay the work due to concerns that the wet conditions could cause damage to the sub-base. The Turf Replacement Project is now anticipated to take place during the drier summer months.

Grand Avenue Park operations will resume as normal on January 3, 2024. As the projects draws near, updates will be provided to the community and impacts to the park during the work will be outlined. For questions or more information, please contact the Grand Avenue Park office at (909) 548-4942.
