PLANNING COMMISSION POLICIES AND PROCEDURES

EX PARTE COMMUNICATIONS

Date Accepted: 11/05/2019

1. PURPOSE

The Planning Commission intends to make transparent its communications with project applicants and residents by establishing a policy for Planning Commission *ex parte* communications regarding adjudicatory and quasi-judicial proceedings.

2. BACKGROUND

An *ex parte* communication is any oral or written communication with a Planning Commissioner that is relevant to the merits of a proceeding, and which takes place outside of a noticed public hearing or similar proceeding open to all parties to the matter. These communications include oral and written information, but can also include any other communication, such as visual or auditory information obtained during a site visit. Casual communications that are non-substantive in manner are not *ex parte* communications.

Adjudicatory or quasi-judicial proceedings are proceedings in which “due process guarantees” apply because there is a property interest (ownership rights) at stake. Typical examples of these types of proceedings include property development applications (Tentative Tract Maps, Site Plan Applications, Specific Plans, Conditional Use Permits, Variances, etc.) or permit revocations.

For the purposes of this policy, *ex parte* communications are a concern only in adjudicatory or quasi-judicial decision-making matters. Planning Commissioners will follow the policy provided below for all such matters that have a proposed or active entitlement application with the City of Chino Hills or for permit revocations or modifications.

3. POLICY FOR ADJUDICATORY AND QUASI-JUDICIAL PROCEEDINGS

3.1 If anyone requests contact with a Planning Commissioner, the Planning Commissioner will endeavor to direct that person to use a City “Planning Commission” email address and phone line that staff will monitor and then forward applicable emails and messages to the Planning Commission.

3.2 Each Planning Commissioner will be provided business cards with the City “Planning Commission” email and phone contact information.

- 3.3 Any information intended for Planning Commission review on an adjudicatory or quasi-judicial proceeding will be submitted to staff who will distribute it. Should a Planning Commissioner receive information directly, the Commissioner will provide that information to staff as soon as feasible.
- 3.4 To the greatest extent possible, all communications with a Planning Commissioner on an adjudicatory or quasi-judicial proceeding, that occurs outside agendaized meetings, will be directed through City staff. When such communication does occur without staff involvement, the Commissioner will notify staff as soon as feasible to ensure the communication is included in the public record for the proceeding.
- 3.5 To the greatest extent possible, all meetings with a Planning Commissioner on an adjudicatory or quasi-judicial proceeding, will be arranged and attended by staff. When a meeting does occur without staff involvement, the Commissioner will notify staff of the meeting and the content of the meeting as soon as feasible to ensure the information is included in the public record for the proceeding.
- 3.6 A Planning Commissioner will announce the details of evidence received in any communication or meeting outside of a Commission meeting, or outside of a staff attended meeting, at the beginning of the Planning Commission meeting at which the item will be considered.
- 3.7 There shall be no communications with a Planning Commissioner during the period between the closing of a public hearing and the final decision on an adjudicatory or quasi-judicial proceeding.
- 3.8 The Planning Commission will review this policy annually at its first regularly agendaized meeting of the calendar year and have the opportunity to modify the policy at that meeting.

For the purposes of this policy, City staff shall mean the Planning Commission Secretary and the Community Development Department Director.
