**2021 - 2029 HOUSING ELEMENT UPDATE**

**February 16  
March 2 & 16  
April 6  
7:00 P.M. on Zoom**

Chino Hills residents are invited to these Public Workshops to discuss the process and to provide input. Those interested are invited to attend the workshops virtually or by telephone via ZOOM. Visit the City website at [www.chinohills.org/HousingElementUpdate](http://www.chinohills.org/HousingElementUpdate) for details.

The Housing Element is one of the mandatory elements of the General Plan, and State law requires that it be updated every eight years. The Housing Element includes analyses of the community's housing needs; opportunities and constraints; and the policies and programs to facilitate the construction, rehabilitation, and preservation of housing for all economic segments of the community. The City is required by State law to prepare an updated Housing Element for the 2021-2029 planning period. These workshops will provide an opportunity for the public to learn about the latest requirements for the Housing Element, including recent State mandates and legislation that will need to be addressed. You are invited to share your thoughts and ideas about the housing needs and opportunities within the City of Chino Hills.

Those interested are invited to participate in these workshops and submit oral or written comments. Written comments may be submitted via email by 5:30 p.m., on the day of each workshop, to the Community Development Department at [communitydevelopment@chinohills.org](mailto:communitydevelopment@chinohills.org).
