APPLICATION INFORMATION: This application is required for temporary use of property for special events including, but not limited to, pageants, fairs, carnivals, and large athletic, religious or entertainment events. Regulations are pursuant to Chapter 12.36 of the Chino Hills Municipal Code.

- If your special event will take place in a **city park or facility**, please bring this completed application and other required submittal items to the **Recreation Counter**. (Please be advised that events held in a public park or facility are subject to additional restrictions and guidelines specific to each park and facility. Please contact the Recreation counter for more information about a specific location.)
- If your special event will take place on **private property, city-owned open space, or within the public right-of-way**, please bring this completed application and other required submittal items to the **Community Development counter**.

Permit applications must be received 30 days prior to the actual date of your event and may be submitted as early as 180 days before the event. Please be aware that the acceptance of your application or the reservation of a city park/facility does not automatically grant a final approval for your event. Upon receipt of your application, it will be forwarded and reviewed by all affected City departments and other public agencies (e.g. Fire, Chino Hills Police, etc.). Throughout the review process, you will be notified if your event requires any additional information or permits.

This application is provided with information of the requirements of City of Chino Hills Health, Safety and Law Enforcement and each applicant should be prepared to comply with said requirements prior to the making of this application and prior to any operation. Separate permits should be obtained from each Department when needed. For your protection and for the protection of your patrons, the California Building, Fire, Plumbing and Electrical Codes are in effect and a rigid inspection of Food and Health facilities is made.
